Welcome to our new furniture catalogue!

Inside you ll find the latest and greatest solutions from the world of commercial furniture.

We are proud to bring you new products to furnish all types of environments from offices and atriums, to classrooms and conferencing. The many pages of new photography featuring the great value new products shown opposite, will get you inspired to specify Merlin Industrial products and services.

This year purchasing from Merlin Industrial will be even easier, as we launch our new delivery service which is available on many stocked seating, desk and storage products. We still offer our unrivalled delivery and installation service anywhere in mainland GB!

Why Merlin Industrial?

We have delivered and installed office and commercial furniture throughout the UK for decades. The product knowledge and experience of our installation teams results in goods being delivered first time, on time. Couple this with our vast product range, experienced and helpful Sales teams, and fantastic back-up provided by our Marketing and Space Planning teams, you have the perfect one-stop solutions for all your office furniture supply requirements.

This catalogue features an extensive range of products to suit the majority of tastes and budgets. However, should you be unable to locate what you require, or know of a certain range that needs to be sourced, please contact us, as we will be pleased to assist you.
